

AL EHSAN ACADEMY

PROSPECTUS 2027

Pre-Play to Class 3

Empowering Young Minds with Faith & Knowledge

English Version | Qur'an & Arabic | Islamic Values

WHY AEA

Faith, learning and confidence.

Al Ehsan Academy supports children from Pre-Play to Class 3 through a balanced approach that combines English Version academics, Islamic values, adab, language development and practical activities.

01 Faith-centred learning

Islamic values, adab and character woven into everyday school life.

02 English Version academics

National Curriculum, English Version, enriched with Islamic Studies, Qur'an and Arabic.

03 Caring teachers

Guidance, encouragement and personal attention for young learners.

04 Practical learning

Projects, presentations and hands-on activities make learning active and meaningful.

05 Communication

Speaking, listening, reading and presentation practice build confidence.

06 Child-friendly environment

A welcoming setting for learning, participation, creativity and positive routines.

LEARNING AREAS

English • Bangla • Mathematics • Science • ICT • Qur'an • Arabic • Islamic Studies • Art & Craft • Physical Education

HOW CHILDREN LEARN

Active learning. Clear foundations. Strong values.

Foundation Stage

In Pre-Play, Play, Nursery and KG, children build early literacy, numeracy, speaking, listening and confidence through guided routines, stories, exploration and classroom activities.

Primary Stage

In Classes 1 to 3, students deepen English, Bangla, Mathematics, Science and ICT while continuing Qur'an, Arabic and Islamic Studies through structured lessons, projects and practice.

2027 pathway after Class 2

Every student follows the same foundation through Class 2, then the framework provides General Education or General Education + Hifz.

ADMISSIONS 2027
